Brand New Book. 2010 Christianity Today Book Award winner! 2010 Golden Canon Leadership Book Award winner! Feeling caught between the traditional church and the emerging church? He offers measured appreciation and affirmation as well as balanced critique. Moving beyond reaction, Belcher provides constructive models from his own church planting experience and paints a picture of what this alternate, deep church looks like--a missional church committed to both tradition and culture, valuing innovation in worship, arts and community but also creeds and confessions. If you've felt stuck between two extremes, you can find a home here. Plumb the depths of Christianity in a way that neither rejects our postmodern context nor capitulates to it. Instead of veering to the left...
