Midnight Hologram LLC, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A must-read for teens and parents, regardless of their children s age. Choking Game is a chilling, heartbreakin, and ultimately uplifting story of an alliance so unique, it redefines the meaning of hope. It is the inner journey of a depressed teenager, MJ, whose mind is all made up but whose inner voice insists on asking questions and debating MJ s answers to make sure suicide is the only option left. Nothing in MJ s typical middle-class suburban life seems out of the ordinary, but deep inside, MJ is tormented by a series of sad events. Combined with difficulty to make friends, the death of an only friend in a choking game incident, and a nasty rumor that spread through social media, MJ s mind is choked by the outside world he did not create. As the imaginary noose around his neck tightens, his inner voice becomes louder, more annoying, relentless and even cruel; anything to make MJ see the other side of the coin he flipped. And when a quiet boy and a riveting new girl in school connect with MJ, a rare light blazes through the dark world of MJ s teenage depression. Inspired by the tragic death of a young boy who made the mistake of playing the dangerous choking game, the book deliberately does not mention whether MJ is a teenage girl or a boy. It allows readers to see the character for themselves, to feel MJ s struggle, and to experience the journey into the depth of his soul and the world we live in. My life s pretty boring. Mom and Dad, living in a house similar to all of...
