Rebellion. Paperback. Book Condition: new. BRAND NEW, The Afterblight Chronicles Omnibus: America, Simon Spurrier, Al Ewing, Rebecca Levene, THE CULL ROSE FROM NOWHERE. It swept across the world like the end of times, a killer virus that spared only those with one rare blood type. Now, in the ruined cities, cannibalism and casual murder are the rule, and religious fervour vies with cynical self-interest. The few who hope to make a difference, to rise above the monsters, must sometimes become monsters themselves. THE CULLED: Even before the plague, he was a weapon, cold and brutal; and the Cull took away his one shot at regaining his humanity. Now, deep in the squalor of London, he receives a signal, and a flicker of hope. But the source of the signal is half a world away, and he must fight gangs, collectors, and the powerful Church of the New Dawn to get there. KILL OR CURE: Spending five years locked in a secret bunker, with only the dead for company, is enough to drive anyone mad. But Jasmine's crazier than most; she survived the Cull, but the Cure's worse, leaving her with a Voice that whispers at her to do terrible things. Rescued by the rulers of the New Caribbean, she is sent to investigate a second plague. DEATH GOT NO MERCY: Cade didn't exactly care about people, but if someone he almost cared about was in trouble, he'd help if he could. If that meant taking on religious maniacs, suited cannibals and hippies who dealt out free love and fast death. well, I'm kind of runnin' my mouth here. This ain't a peaceful story, and Cade. Cade wasn't a peaceful man.
