Reviews

Here is the best publication i have got go through until now. It is actually writer in simple phrases and never hard to understand. I realized this publication from my dad and i suggested this ebook to find out.

Watkins Media, United Kingdom, 2016. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. Colonel S - biomedical engineer, explosives expert, and the Malaysian government go-to hitman - has been doing the dirty work of the rich and corrupt for years now and is ready for his final job. One that will ensure the domination of the Muslims over the Malaysian state. The target? Kuala Lumpur International Airport. All he needs is a little help from his old friend and protege, Dr. Jay Ghosh. Despite the dangerous circumstances and Jay's own tragic Malaysian history, which he has been running from for 30 years, he cannot refuse the man who once saved his life. But, when Jay contacts Agni, the daughter of his first love with dangerous secrets of her own and a hunch that Colonel S is not all he seems, Jay is torn between righting the wrongs of his past and remaining loyal to a blood oath he has finally been called on to repay. Set in modern day Malaysia, divided by religions vying for control of the state with violence and manipulation, *Ode to Broken Things* rings true in an increasingly dangerous world fraught with warfare, conflicting cultures, dysfunctional governments, and terrorism. However, Dipika Mukherjee's focus on the characters interwoven histories forms the story's overarching message that, despite race, ethnicity, or religion, the same blood runs in our veins.
