Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

HarperCollins Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 178 x 110 mm. Language: English . Brand New Book. Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY. Summer is a magical time in New York City and Carrie is in love with all of it - the crazy characters in her neighbourhood, the vintage-clothing boutiques, the wild parties and the glamorous man who has swept her off her feet. Best of all, she's finally in a real writing class, taking her first steps toward fulfilling her dream. This sequel to THE CARRIE DIARIES brings surprising revelations as Carrie learns to navigate her way around the Big Apple, going from being a country sparrow - as Samantha Jones dubs her - to the person she always wanted to be. But as it becomes increasingly difficult to reconcile her past with her future, Carrie realises that making it in New York is much more complicated than she ever imagined. With her signature wit and sparkling humour, Candace Bushnell reveals the irresistible story of how Carrie met Samantha and Miranda, and what turned a small-town girl into one of the New York City's most unforgettable icons, Carrie Bradshaw.
