

## Blood Engines

Filesize: 2.33 MB

### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reissue. 173 x 107 mm. Language: English . Brand New Book. Meet Marla Mason-smart, saucy, slightly wicked witch of the East Coast. Sorcerer Marla Mason, small-time guardian of the city of Felpot, has a big problem. A rival is preparing a powerful spell that could end Marla's life-and, even worse, wreck her city. Marla's only chance of survival is to boost her powers with the Cornerstone, a magical artifact hidden somewhere in San Francisco. But when she arrives there, Marla finds that the quest isn't going to be quite as cut-and-dried as she expected. and that some of the people she needs to talk to are dead. It seems that San Francisco's top sorcerers are having troubles of their own-a mysterious assailant has the city's magical community in a panic, and the local talent is being (gruesomely) picked off one by one. With her partner-in-crime, Rondeau, Marla is soon racing against time through San Francisco's alien streets, dodging poisonous frogs, murderous hummingbirds, cannibals, and a nasty vibe from the local witchery, who suspect that Marla herself may be behind the recent murders. And if Marla doesn't figure out who is killing the city's finest in time, she'll be in danger of becoming a magical statistic herself.
