

Experimental Exercises and Problems in Elementary Chemistry: Together with Various Chemical Tables and Tables for the Conversion of Common Weights and Measures Into Those of the Metric System; For the Use of Beginners

By Joseph Granville Norwood

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Experimental Exercises and Problems in Elementary Chemistry: Together With Various Chemical Tables and Tables for the Conversion of Common Weights and Measures Into Those of the Metric System; For the Use of Beginners The following pages were compiled expressly for the use of my own classes, and without any view to general publication. The Principals of two of our neighboring Colleges, however, on being made acquainted with the proposed plan of instruction, desiring copies for the use of their pupils, I have had an additional number printed for them; and, if the method should commend itself to teachers in other institutions, the edition could be extended to meet their wishes. The work is a mere compilation from text-books recently published in England, by some of the most eminent and successful teachers of Elementary Chemistry in the Colleges and Universities of that country. None of the works from which the materials were extracted have, as yet, been republished in this country. They are Prof. Frankland's Lecture Notes for Students. Prof. Galloway's First Step in...
