Humans: The Story of How Early Homo Sapiens Became Modern Humans

By Wallace (Shaun) Shaunfield

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. The research and writing of the book, HUMANS, has been a time of discovery and revelation. The intention was to complete the fascinating story touched on in the author's first two books of how early Homo sapiens became modern humans. Humans today are anatomically the same as the early Homo sapiens who first appeared on Earth about 200,000 years ago; however, there is a difference. The evidence shows they were instinctively-driven creatures much like their Homo ancestors. The hypothesis was that the key difference was modern humans have the unique attribute of consciousness. This study confirmed that and discovered how and when the transition to modern humans was made. But, much more was uncovered, including the story of how Homo sapiens acquired the broad set of key attributes that makes humans unique, compared to all other living creatures. In addition to consciousness, other attributes were discovered, including how and when the Moral Code, our conscience, our sense of a god, plus many other attributes came into being. The study was scientific in nature using secular evidence, solid...
