

The Mother Goddess: A Primer

By Dov Ivry

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. To give you an idea of what this is about I'm running here the first nine paragraphs from Chapter 1 and some others from Chapter 2. When the topic of gods comes up they are automatically associated with religion, the most wretched and disreputable of human enterprises. In this book I explore making the acquaintance of the Mother Goddess. If the topic had anything to do with religion I would not insult your intelligence or waste your time even to raise it. The Mother Goddess is the Supreme Being. There are no other deities. I've talked about the Mother Goddess in some of my other 16 non-fiction books each with its different emphasis for different targeted audiences. The technical problem in doing another book going down this road is that there are limited sources and what happens is that I end up using the same sources in all of my books touching on this subject. Those who read more than one volume might find perhaps a third of a book is the same as a previous...
