Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

STRUCTURAL DESIGN ELEMENTS OF STRUCTURAL DESIGN, VOL. 1 (CLASSIC REPRINT)

[DOWNLOAD](#)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Structural Design Elements of Structural Design, Vol. 1 It might be well to say here what is repeated in the text: that this work presupposes a knowledge of mechanics, stresses, and the mathematics on which they depend. The experience of the author in teaching and in practice has led him to believe that no available book presents all structural subjects so concisely that they can be covered in the time usually allotted by technical schools. Moreover, the fundamental principles of shop practice and erection, which govern the designer at every step, are not clearly developed. These faults the author has attempted to correct, using only orthodox methods of presentation. This volume considers wooden structures and the fundamental principles of design in steel. Should this work receive recognition, it is intended to follow it by a second volume on the Design of Simple Structures, plate girders, viaducts, truss bridges, mill buildings, high office buildings, and standpipes, and a third on the Design of Advanced Structures, cantilever, movable, and suspension bridges and arches. It has been thought best for the present to omit the data usually found in handbooks. As a considerable portion of this treatise is original data, corrections and suggestions will be especially welcome. However, a great deal of pains has been taken to eliminate errors. The writer wishes at this time to acknowledge his references. These include almost every American authority on the subject. Many of them have been referred to at the proper place in the book. Particular mention should be made of the Engineering News, Engineering Record, and Transactions of the American Society of Civil Engineers. About the Publisher Forgotten Books publishes hundreds...
