

Welcome to the World of Elephants

By Diane Swanson

Walrus Books, United States, 2010. Paperback. Book Condition: New. 203 x 203 mm. Language: English . Brand New Book. Elephants are very social creatures who live in herds. They have been observed to cry, laugh, and even hug each other. The elephant trunk contains 100,000 muscle units and is used to grasp and strip leaves from trees, drink water, spray themselves to cool down, smell their environment, and as a snorkel when crossing deep waters. Elephants are intelligent and sensitive animals who deserve a closer look. About the series: Each book in the Welcome to the World of Series introduces children to wildlife through color photographs, lively description and amazing facts.
