Check with the seller before completing your purchase. This access code card provides access to the new Enhanced Pearson eText At a time when public focus on children who struggle with learning to read has never been greater, Bursuck and Damer's Teaching Reading to Students Who Are at Risk or Have Disabilities, 3/e does an extraordinary job of answering the charge to help all students succeed at reading. Now in a newly updated Third Edition, this text describes, in a clear, step-by-step fashion, how to implement a systematic, explicit, success-oriented approach for teaching struggling readers in today's accountability-driven schools. When recently evaluated in terms of relating to the Common Core Standards in Early Reading, this book was described as one of the few textbooks comprehensively and rigorously covering the scientific basis and instructional elements of...
