OCLC Number: (OCOlc)52768650 Subject: Economic assistance, American. Excerpt: . . . 15 COMMERCIAL DEVELOPMENT PROGRAMS The Committee strongly supports microenterprise development programs for the poor, especially women, and recommends that USAID provide at least 180, 000, 000 for these activities. The Committee expects USAID to preserve the viability of leading micro-finance NGO networks, including faith-based networks, by providing substantial funding to these entities so they may increase the number of people they serve. The majority of microenterprise development resources should be used to support the direct provision of services to poor microentrepreneurs through these networks. Funding for administrative, procurement, research and other support activities not directly related to the delivery and management of services should be kept to a minimum. The Committee supports the development, in conjunction with micro-credit practitioners, of poverty measurement methods as a means of verifying that at least half these resources are targeted toward the world's poorest people. The Committee requests that USAID report to the Committee no later than 90 days after the enactment of this Act on the status of the development of these methods. The Committee recognizes the positive impact that microcredit programs have on the lives of women around the world. The Committee strongly supports the volunteer activities of the International Executive Service Corps IESC , and believes that USAID continues to underutilize IESCs capacity to promote economic growth by assisting small and medium sized companies. The Committee believes that aggressive use of volunteer organizations such as IESC produces positive results in development programs abroad, and shares the administrations support for greater volunteerism in America. The Committee expects USAID to provide not less than 1,...
