It might surprise you to know that you could be living in a house along side of a fallen angel. This book is conversational in tone and is about how the possibility is there for two sentient beings to reside along side of each other and not even know it! Fallen angels who left their first estate and were the subject of one-third of Christ's ministry are alive and doing well on planet Earth! Biblical knowledge is used by the author to stir the thinking of people who are asking, Why is this happening to me? Why are good people experiencing so many bad things? In easy to understand language mixed with biblical references, the author tackles a dark subject that the devil would like for Christians to remain uninformed about! This item ships from La Vergne, TN. Paperback.
