*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Later on he found the same story in a collection published about the beginning of the present century. To the best of his belief, it is some stray fancy of the brain of Hoffmann of Berlin; probably it appeared in some German almanac, and was omitted in the published editions of his collected works.
