The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Brand New Book ***** Print on Demand *****.On the 2d of December 1795, I took my departure from the hospitable mansion of Dr. Laidley. I was fortunately provided with a Negro servant, who spoke both the English and Mandingo tongues. His name was Johnson. He was a native of this part of Africa; and having in his youth been convoyed to Jamaica as a slave, he had been made free, and taken to England by his master, where he had resided many years; and at length found his way back to his native country. As he was known to Dr. Laidley, the Doctor recommended him to me, and I hired him as my interpreter, at the rate of ten bars monthly, to be paid to himself, and five bars a month to be paid to his wife during his absence.
